Dear Friends,

Thank you for your generous donation of \$300.00 in support of our mission to knock out colon cancer.

Your generous contribution is making a significant impact in the lives of those we serve. Thanks to you, we are able to expand our prevention and research initiatives, in addition to providing compassionate support for those living with colon cancer and their loved ones through our online patient communities, Patient Navigators, Blue Hope Financial Assistance, Buddy and other critical programs.

We take our responsibility to the colon cancer community seriously and are committed to assuring that your donation has an impact on those we serve. We are proud to have received Charity Navigator's highest 4-star rating for six consecutive years. This is an honor awarded to only 5% of charities in the country who are evaluated for strong and responsible financial management procedures. The Colon Cancer Alliance is also a Better Business Bureau Wise Giving Alliance accredited charity.

Thank you again for helping us support those impacted by colon cancer and prevent others from developing this disease. If you have any questions or comments, please feel free to contact me directly at (202) 207-0254 or rhuneycutt@ccalliance.org.

Sincerely,

Regan Huneycutt
Director of Individual Giving
