Dear Mr. Widdows:

Thank you for the generous gift of \$300.00 received on November 15, 2016 to the Barbara Ann Karmanos Cancer Institute and for hosting the Sterling Heights High School Cancer Awareness Football Game. Your caring support and dedicated efforts will help make a real difference in the lives of thousands of patients who seek our expertise.

The Institute understands that cancer is a complex disease that demands complex care. We don't follow a standard approach to fighting cancer. Our 13 multidisciplinary teams of specialized oncologists share collective expertise to create a customized treatment plan for each patient. Our patients can expect respectful, compassionate care and a collaborative approach that considers all available treatment options designed to achieve the best possible outcome.

We are dedicated to giving every patient the best chance for successful results and more precious time to spend with family, friends and loved ones. As an important part of our team, your gift will bring us more quickly to the day when cancer no longer threatens human life.

Once again, thank you. We and the patients we serve deeply appreciate your generosity.

Sincerely,

  
Karry Dalton  
Event Director
